

# **Free Will Review Service**

## **Why should you have your Will reviewed?**

Very often a Will alone is not enough - sometimes a Will is sufficient but very often it is not. Subject to reviewing your personal circumstances, it may benefit you to have a Will with Discretion or a Trust to protect your Will.

Your circumstances may have changed.

Research shows that 1 in 4 Wills are defective or of poor quality. \*

A Will only directs where your assets will go when you die. Not where they will end up. Quite the difference.

## **Why should you do it now?**

If you leave it until you die, it will be too late. So let's get it checked now.

## **Why should I use McClure?**

1. They see many Wills with errors.
2. They see many Clients who need a Trust to back up their Will.
3. The review is free of charge. They call it a safety check.
4. If you need a new standard Will, that is free of charge as well, just consider a donation for Woodlands Animal Sanctuary.
5. Fees are payable for McClure's Will with Discretion or Trust.
6. McClure is a Multi Awards Winning Solicitor Firm.
